Mission of Hope House

Mission of Hope House (MOHH) is a non-profit organization.

Our Mission is to promote self-sufficiency and improve the lives of families affected by poverty and homelessness.

Our Vision is to engage our community in the fight to end homelessness.

Year-End Hope Campaign

As we approach the holiday season, and the weather begins to turn, the need for the services we offer is greater than ever. Mission of Hope House is embarking on a Year-End Hope Campaign to raise $50,000 before the end of December.

You are the Beacon of Hope and we need your help! Please consider making a weekly, monthly, annual or 1x pledge of any amount. Large or small, your contribution provides Hope to families.

With your support, WE can impact our community in a sustainable way.

To inquire or to make a donation, please contact us at (920) 249-4553, or visit our website at www.missionofhopehouse.org and click on the donate tab.

Message from our President

Mission of Hope House (MOHH), a shelter for homeless families, is a resource and a service for many individuals. Each of us in our communities have the ability to make a difference in the lives of others, sometimes with a service, time offered, being a resource, being a support with a listening ear or sharing financial assistance. The mission of MOHH is to promote self-sufficiency and improve the lives of families affected by poverty and homelessness. Anyone can become homeless due to job loss, financial strain from a medical crisis, relocation, family discord and dysfunction or mental/emotional health problems. Many individuals want to change their situation, and MOHH can be the foundation for their success. During this “Giving” season, the Board of Directors is reaching out to share our mission, and ask you to share as well with your “Gift of Caring” - the gift of our hearts and time. Whether financial assistance, your volunteering, and donations to our thrift store, The Bridge, we thank you in advance for supporting the MOHH.

Showing someone that we care about them, is truly an act of love!

Sincerely,

Patricia Toney, Board President
